

Neil Estandarte

Front-end Web & Mobile Developer

Address: 33/48 Chermside St, Teneriffe, QLD, 4005

Tel: +61 04343 74921

Websites: neilbo.com | webcred.biz

Email: neilbo@outlook.com

Twitter: [@neilbo21](https://twitter.com/neilbo21)

Citizenship: Australian

I am an experienced Front-end Web Developer with a passion for creating interactive applications that deliver unique user experiences. I am enthusiastic about responsive design and mobile development. Highly motivated, I know that I would bring new ideas and enthusiasm to any position within the team.

PORTFOLIO

Brizinga (Geolocation Based App): brizinga.com, iPhone, iPad – Co-developer

A location based app that uses Brisbane City Council data to find places of interest. This was a project that I submitted to the Hack::Brisbane Competition 2012. Features include Directions (walking and driving), Street View and Discover Places of Interest by dragging your map marker in other suburbs).

Liddell Education – Street Science Website: liddelleducation.com.au

A *responsive* website for a Science Entertainer that provides services to Primary School Children.

Prue and Jeff's Wedding Website: prueandjeff.com

A *responsive* wedding website for client to provide information for guests.

Alicia and Neil's Wedding Website: aliciaandneil.com

A *responsive* wedding website for client to provide information for guests.

6MWT (6 minute walk test App): sixmwt.com, iTunes

An app that makes it easy to conduct, calculate and send 6MWT results of a patient. It is an app for clinicians in Cardiac and Pulmonary Rehabilitation Settings. Includes various calculators need to conduct the test (Predicted Distance, Age, BMI), Stopwatch, Borg Scales and the ability to send these results as a PDF report.

Mad Dance House (Dance School's App): iTunes, maddance.mobi

An app that allows users to engage with the Dance School. Users are able to sign into classes, engage through social media platforms such as Facebook, Instagram and Twitter.

Panic Hair Bazaar (Hair Salon 's App): iTunes , panichair.com

An app that allows customers to engage with the Hair Salon. Customers are able to view prices and engage through social media platforms such as Facebook and Instagram.

EDUCATION

CodeAcademy – March 2012 to Present [\[View Progress\]](#)

Completed HTML, CSS , Javascript, jQuery courses

Currently Enrolled: PHP, Ruby, Python Courses

Udemy – February 2013 to Present [\[View Progress\]](#)

How to build a mobile app – General Assembly, Raising Startup Capital – General Assembly, Creating responsive Web Design – Chris Converse, Create an Engaging Website with Twitter Bootstrap – Chris Converse, An Entrepreneur's Checklist – Steve Blank.

Bachelor of Nursing (with Distinction)– Queensland University of Technology - 2003 to 2005

Upon completion of my studies I have worked in a variety of settings such as Gastroenterology, Coronary Care & Cardiac Rehabilitation. I currently work in both Coronary Care Unit at Royal Brisbane and Women's Hospital and Cardiac Rehabilitation at Chermside Community Health Centre (near The Prince Charles Hospital).
